WGP Group Announced as a Winner of the ConocoPhillips 2017 Supplier Recognition Award Program

HOUSTON, 1 May 2018—WGP Group, a wholly-owned subsidiary of FairfieldNodal, has been announced as a winner of the ConocoPhillips 2017 Supplier Recognition Award Program.

WGP was recognized for their contributions to the 2017 Eldfisk seismic campaign. Terry Hibben, CTO of WGP, says "I'm really pleased for WGP to receive this award and recognition for the effort of their staff on this project. WGP's 'One Team' ethos again worked to ensure the close working relationships between client and other contractors to deliver a high-quality, safe project efficiently."

"WGP's expertise, talent, and track record of reliable project execution distinguish them within our industry as an important provider for seismic acquisition services," says Charles (Chuck) Davison, Jr., President and CEO of FairfieldNodal. "We believe this recognition is well-deserved and reinforces our motivation for joining forces with WGP to further advance FairfieldNodal's pursuit of reservoir monitoring capabilities."

About FairfieldNodal

Privately held FairfieldNodal is an industry leader in seismic nodal technology and related services. FairfieldNodal, designs and manufactures a complete range of revolutionary, true cable-free ZLand® and ZMarine® systems, and offers expert marine acquisition and data processing services. In addition to an extensive multi-client database in the Gulf of Mexico Shelf and Permian Basin, the company continues to expand licensing coverage in the Lower 48.
